Dear Mr. Platt:

RE: COAL CREEK DISTRIBUTION

We have your letter of February 28, 1951 in which you state I am planning on being in Cedar City to attend the Civic Club Meeting on March 3, 1951. This must be a mistake as I am not planning on being in Cedar City at the time mentioned nor have I been invited to attend such meeting.

With respect to a discussion on the diversions and measuring devices for the distribution of the Coal Creek water, will state we will be glad to go into this matter at your convenience, preferably at the Office of the State Engineer in the Capitol Building.

Sincerely yours,

Joseph M. Tracy  
STATE ENGINEER

MR. JOSEPH M. TRACY,  
Utah State Engineer  
Room 403 State Capitol Building  
Salt Lake City 1, Utah

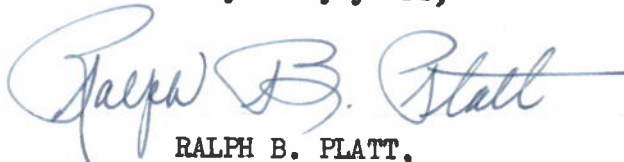

Dear Mr. Tracy:

The Coal Creek Irrigation and Field Companies have been advised that you are planning to be in Cedar City, Saturday, March 3, 1951, to attend the Civic Club Meeting.

While you are here they should like to spend approximately one hours time with you discussing the diversions and measuring devices for the distribution of the Coal Creek Water.

Will you please notify Mr. L. F. Luke, R.F.D. No. 1, Cedar City, Utah whether or not you can spend that time with them. Representatives from the companies will meet at your convenience.

Very truly yours,

RALPH B. PLATT,  
Registered Engineer and Land Surveyor
